2009 will be our second year holding the wine tasting in the Shell Cove room of the club (second floor) as it was so successful last year.

Again, the tasting will be relatively informal and guests can arrive when they like (but don't miss the lucky draw around 8 pm).

On show will be two vintages of Paterson's Gundagai Chardonnay (07 & 08), our smooth 2003 and very popular 2008 Shiraz and barrel samples of our 2009 Cabernet Sauvignon and 2009 Shiraz (the 2009 vintage has turned out to be a fantastic one – see what you think)

We look forward to you and your friends joining us – please RSVP soonest if you can make it.
