Come and taste our recently released 2009 reds (Cab. Sav. and Shiraz) - both have already won medals at wine shows this year. We will also be tasting our 2010 red barrel samples and current white wines.

Again, the tasting will be relatively informal and guests can arrive when they like (but don't miss the lucky draw around 7.30 pm).

*We look forward to you and your friends joining us – please RSVP soonest if you can make it – **numbers will be limited.***
